

Culver Church, Culver Grove, Stanmore, Middlesex, HA7 2NP

September 2021

Dear Visitor

In light of the current complex and changing situation surround COVID-19 we are taking precautions to protect visitors against the outbreak.

To minimise the spread of COVID-19 we have introduced enhanced cleaning procedures, encouraged regular handwashing/sanitising, and are following Government advice from Public Health England on our routines and procedures. Our aim is to keep all visitors safe and well.

We are therefore asking that **all visitors to the church follow the guidance as outlined below:**

- You must not visit our premises if you have travelled or been in direct contact with someone who has travelled, in the 10-day period prior to your visit, from a country that requires self-isolation on return to the UK. We are sure you will understand that the situation remains fluid and the areas affected (travel corridors) may change.
- You must not attend the premises if you have any COVID symptoms (high temperature, continuous cough or loss of taste and/or smell) and should be self-isolating.
- Please use the hand sanitiser on entry and sign in using the NHS QR code.
- Please maintain social distancing whilst on the premises where possible. This will minimise the number of individuals identified as "close contacts".

We appreciate your understanding in this matter and thank you for your assistance in helping to keep our community safe.

Kind regards

Culver Church
