4. You will, in conjunction with the Leadership team, be responsible for and support the co-ordination and implementation of:
 - Sunday and mid-week church meetings and/or house groups;
 - regular and special evangelistic outreach, including outreach amongst the children;
 - other church functions, including regular children, youth and adult groups;
 - fellowship, recreational and leadership training functions as and when required, e.g. church weekends;
 - maintaining/creating contacts outside the church, e.g. within local schools; and
 - any other appropriate ministries.
5. You will, in conjunction with the leadership be responsible for the pastoral care of church members and developing contact with others who are connected to church but are not members.
